Suite 220
Jupiter, FL 33458

Dear Mike:

I was advised by Pat Ryan, chairman of the SGMA Baseball Council, to inform you of a recent action of the Little League Baseball Rules Committee and that you would direct this to all of the bat manufacturers of the SGMA.

Effective January 1, 2009 Little League Baseball will prohibit the use of 2 ¾" baseball bats in our Junior League Baseball division.

If you require anything further from me, please let me know.

Best wishes.

Sincerely,

STEPHEN D. KEENER
President and
Chief Executive Officer
